- » Design/build
- » Emergency response
- » Installation (new construction, renovation, retrofit)
- » Maintenance and repair
- » Site utility services
- » Specialized healthcare facility and medical gas system installation and service

Safe, smoothly flowing systems

DeBra-Kuempel's reliable, responsive plumbing services can help keep drainage and sewage systems trouble free, while satisfying stringent local health and safety regulations. Our fully licensed experts are certified in the tri-state area to perform a full range of plumbing services, including gas line fusing and medical gas system installation.

Effective prevention, rapid solutions

Our experts can also check your line's location and condition with video cameras for effective preventive maintenance, as well as rapid problem identification and resolution. When obstructions do occur, we have a complete assortment of auger

sizes to clear your system quickly and get it flowing smoothly again. Our goal is always the same — to service, maintain, and help ensure the reliability of your facility's plumbing systems.
